

There is human trafficking in every ZIP code.

"Human trafficking is the business of stealing freedom for profit. In some cases, traffickers trick, defraud or physically force victims into selling sex. In others, victims are lied to, assaulted, threatened or manipulated into working under inhumane, illegal or otherwise unacceptable conditions. It is a multi-billion-dollar criminal industry that denies freedom to 24.9 million people around the world."
-The Polaris Project

Our Mission

Soul Survivor Ink helps survivors of human trafficking begin new lives by providing access to necessary resources along their difficult journey to healing, removing tattoos and other physical reminders of a painful past. We also advocate on their behalf as they become the extraordinary individuals they were created to be.

About Us

We are a 501 (C)(3) Focused on removing or covering branding scars or tattoos from survivors of sex trafficking. We have affiliates nationwide and are always looking for those that possess the skills needed to our exceptional caring team.
